

PRESS RELEASE

David Limbaugh and David Looper are announcing their 2020 presidential campaign.

Murfreesboro, Tennessee June 16, 2019: David Limbaugh and his running mate, David Looper, are running a third-party, Presidential write-in campaign again. We are going to share our ideas on what we feel America's needs are. We are going to offer real answers to voters' questions and real solutions to our nation's problems.

We are going to run a grassroots campaign, utilizing Twitter (@limbaugh2020) and the web (limbaugh2020.com).

We came 13 signatures short of being on the ballot in Tennessee in 2016. The requirement is 275. We signed up 365 friends. 103 were not registered to vote. Most of them are now. We will be sure to get far more than 365 signatures in 2020.

We want to send a big thank-you to our 13 2016 Electors across the state. We met that qualification.
